*Greetings, Mighty Blue Families!*

*It's truly a great day to be a Mighty Blue and serve as the principal leader at Three Oaks Middle School. I hope and trust your summer vacation has been a valuable experience thus far! Our scholar Progress Monitoring Assessment scores far exceeded our expectations and Three Oaks Middle School continues to exceed districts and state averages! I am so proud of the scholarly performance our students displayed within their rigorous and viable learning environments despite the calamities faced. Henceforth, our High Achieving status continues to be a reality. We look forward to celebrating another successful year with our incoming 6<sup>th</sup> graders and other scholars new to Three Oaks Middle!*

*The official start date for teachers is August 2<sup>nd</sup>. **Our Back-to-School Open House will be held on Tuesday, August 8<sup>th</sup>. We will be accommodating our 6<sup>th</sup> graders at 5:30 pm and 7<sup>th</sup>/8<sup>th</sup> graders at 6:30 pm.** This affords the opportunity for students to pick-up their schedules, school supply lists, meet their teachers, purchase P.E. uniforms, and transportation information.*

*As your principal, I genuinely look forward to collaborating with you while on this journey, and I thank you for choosing Three Oaks Middle School, "Where Student Success is the Priority." Feel free to contact me via email at [forrestwa@leeschools.net](mailto:forrestwa@leeschools.net) or call (239) 267-5757. I welcome any suggestions or ideas that you are eager to share.*

**WE.ARE.TOMS. ONE MIGHTY BLUE.**

*Very respectfully,*

*Forrest Walker, Jr.*

*Honored and Proud Principal*

Notification of the Presence of Asbestos-Containing Materials in the School

To the Chairperson of the Parents Teachers Organization and the Students of Three Oaks Middle School

This school has been recently inspected and certain asbestos-containing materials or assumed asbestos-containing materials such as: fire doors or roofing materials that are tested prior to repairs or removal as needed, have been located in the school buildings. Please be aware that the School District of Lee County has an active management plan designed to ensure that the building is maintained safely for all occupants. These materials are being controlled in accordance with the Asbestos Management Program for the School and following the limitations and procedures of the policies and requirements of the Asbestos Operations and Maintenance Program of the School District of Lee County.

The report listing the location, quantities, and condition of all known materials and contains the details of the control procedures is available at the school office for your inspection during normal school hours. Copies of the whole or parts of the school's asbestos file can be supplied to you at a cost of \$0.15/page.
